Mrs. P McGuffie - Headteacher

14<sup>th</sup> June 2017

Dear Parents/Carers

As stated in my recent letter on the 9<sup>th</sup> June, we are holding two Assessment meetings on Wednesday 21<sup>st</sup> June; one at 2.00pm and the other after school at 6.00pm (for those parents who work and cannot make the afternoon session).

During this meeting we will demonstrate the new electronic tracking system - 'O Track' and how it is used in school to track individual pupils progress term by term and year on year. The meeting will also provide the opportunity to explain again, how children are now assessed against their Age Related Expectations (ARE) and how this will be recorded on this year's end of year reports.

If you have any questions or cannot make either of the meetings but would like further information, please do not hesitate to contact me at school.

Yours sincerely

*Mrs P McGuffie*

Headteacher
