

Singing lots of nursery rhymes, retelling familiar tales and joining in with a tune

Cutting, scooping and picking up my food with a knife, fork and spoon

Hopping, throwing, catching, climbing, balancing running and baking

Opening lids, squeezing and brushing will make my body and hands ready for mark making

Organising my toys, putting them away and independently finding things I need

Listening for sounds in words and blending them together will help me to later read

Recognising my name will help me find my peg
and drawer and put my belongings away

Eagerness to explore, join in with games, take
turns and share will help me in my play

Asking for help from an adult if I hurt myself
or need the loo

Dressing myself by putting on my coat and
shoes is something to practise too

You will be ready, of that I am sure! Ready
to start your exciting School adventure.
