Head Teacher – Mrs P McGuffie

28th January 2021

Dear Parents/Carers,

We are now halfway through this half term and I thought I would just check in with you all again. We really do know how hard all this home learning is for so many of you, especially those of you who are working from home too. Please do not put pressure on yourselves. If your child can not complete all the tasks set, do not worry – just do what you can. We are duty bound to provide 3 hours work for Key Stage 1 and 4 hours for Key Stage 2 however we know that everybody is in a different situation so please just do what you can. The most important thing is your child's mental health and wellbeing. So, as much as the weather allows get them outside for exercise and other activities e.g., bug hunts, bird watching or treasure hunts. Too much screen time is not good for anybody.

However, if they are able to join the morning or afternoon whole class daily live learning session this too will help them as it will be lovely for them to see their teacher and all their friends. This session is only short so hopefully most of you will be find it doable! It really will lift their spirits.

Please do not hesitate to contact us if you are struggling in any way. We will do our best to help you or signpost you to the right person. Please be patient with us if you are having technical difficulties. We can't see what you are seeing on your screen if you ring for help, so bear with us as we try our best!

Our school community can get through these trying times together. Let us all help each other the best way that we can.

Thanks again and stay safe.

Mrs P McGuffie.

'We learn to love everyone as Jesus loves us'
