

Parish of St Wilfrid, Widnes

TRACK AND TRACE

From this weekend we are obliged to keep records of those attending Mass . St Wilfrid's Parish is now registered on the [GOV.UK](https://www.gov.uk) website for QR code (NHS Track and Trace Scheme) which works in conjunction with the NHS app. QR code posters are on display at St Michael's, St Bede's and St John Fisher.

For parishioners who don't have the NHS app, we are required to keep a paper record for 21 days. Stewards will take details (rather than have lots of people handling the sheets and the pen); only basic details of one person from each "party" is required.

Another step to keep us all safer.

Kindest regards

Shelagh
Parish Office
