THANK YOU

THANK YOU so much for your prayers and good wishes, your cards and generous gifts for my ordination as Titular Bishop of Plestia and an Auxiliary Bishop of Liverpool. Thank you to those who were present at the cathedral last Friday and to those who were able to watch on Livestream. (Those at home had the more comfortable seats!)

As I have said: I thought I would spend the rest of my days in Widnes, but the Lord had other plans for you and for me. Thank you for your kindness to me over the past year. You are truly wonderful people to be part of the journey along the road with the Lord. I will be around until 2 October and will then move to the presbytery at Our Lady and All Saints, Parbold.

Parbold is close to the geographical centre of the Archdiocese and will enable me to access more easily, all points north, south, east and west.

Bishop Tom

SEASON OF CREATION

UN Climate Change Conference (COP26)

The UK will host the 26th UN Climate Change Conference (COP26) in Glasgow from 31 October to 12 November 2021. 'COP' means 'conference of parties'. Leaders from 197 countries, including Pope Francis, who have signed up to the UN's climate change treaty, will travel to Glasgow to take part in the conference. This will be the largest gathering of world leaders ever to take place on British soil.

The focus of the conference will be how to keep temperature rises below 1.5C. If the world warms more than this threshold, millions more people in the most vulnerable communities around the globe will suffer from devastating droughts, storms, floods and other impacts of climate change. Governments will be obliged to set out more ambitious goals for ending their contribution to climate change under the Paris Agreement (2015).

CAFOD invite us to sign a petition urging the Prime Minister to make sure the communities hardest hit by the climate emergency are listened to at COP26. You can sign the petition online here: <https://e-activist.com/page/73304/petition/1>
