

Here at our Lady's we have been working hard over the last few months to create a Reading for Pleasure school.

We have introduced many new initiatives to celebrate a love of reading, to complement our reading curriculum.

Take a look at some of the exciting ways we share our love of reading:

### **Reading Buddies**

#### Staff as readers

### Welcome reading baskets for visitors

### Teachers' book share

# Poetry workshops with Paul Delaney

# Visit from Nikki Lamb from Widnes Library

### Summer Reading Challenge

#### Book fair – March 20th – 24th

# Hurray....the book fair's here!
