

Northern Lights

Can you write your own poem about the Northern Lights?

Twirling, dancing, jumping, shining,
Purple, pink, green and blue,
Northern Lights, Northern Lights.
Like a giant sparkler,
Northern Lights, Northern Lights,
Look around you. They're amazing!
Northern Lights, Northern Lights.

Now use your own words to complete the spaces.

What colours are they?
How do you feel about them?
Use a simile. What do they remind you of?
What are they like?

Northern Lights, Northern Lights.

Northern Lights, Northern Lights,

Northern Lights, Northern Lights.

Northern Lights, Northern Lights.
