Head Teacher – Miss K Nuttall

Wednesday 3rd September

Dear Parents/Carers,

This letter is to offer guidance and support for parents who have children with SEND (Special Educational Needs or Disability) or for parents who are concerned about their child and the progress they are making and would like further guidance.

Many children struggle with learning at different times in their school life. In my role as SENDCo I work with many agencies to help and support children who have additional needs and I know that parents are always looking for ways that they too can support their child at home.

If you are looking for ideas and strategies to support your child further, please look on the Halton Local Offer webpage as this is full of useful ideas and information. Just google Halton Local Offer or click on this link:

<https://localoffer.haltonfamilyhubs.co.uk/>

Likewise, if your child has SEND (Special Educational Needs or Disability) then this is a really useful resource too. Also, our school website has our SEND report for the year 2025/2026 as well as our provision map and a PowerPoint to explain how we support children with SEND at Our Lady's.

As always, if you need to speak to me or your child's class teacher, you can contact school via the office and Miss Horrocks will pass any messages so that I can get back to you.

Yours faithfully

A. Heston

Mrs A Heston

Deputy Headteacher and SENDCo
